

Gravity Divider

Unit Includes:

- ◆ Compact design suitable for office / lab use
- ◆ Inlet hopper / funnel allows easy product loading
- ◆ Two discharge spouts
- ◆ Available in 1:1, 2:1, 3:1, 4:1, and 5:1 ratios
- ◆ All steel construction
- ◆ Wall mount bracket standard

Our gravity style lab divider features the same design as the government approved Boerner and Cargo styles. Unit is suitable for use with all grains and meal products. Removable cover allows for easy cleaning. An inexpensive option to “official” dividers. Ideal for use with truck probe applications.
